

Caesar Salad

a salad of romaine lettuce tossed with an olive oil dressing, a coddled or raw egg, garlic, and grated cheese and topped with croutons and sometimes anchovies.

Recipes

- 1 large or 2 small heads of romaine lettuce
- Parmesan cheese, shredded or shaved
- Crisp croutons
- Caesar salad dressing

Steps:

In a large mixing bowl, combine all of your ingredients and toss gently to coat the lettuce in caesar dressing. This recipe makes enough croutons for two full salads so you'll have them ready to go for round 2!
